Dear Dr. Koenig:

It was a pleasure speaking with again concerning Symrise's submission of a TEA for the drug Climbazole. You asked what parts of our submission should be redacted as being considered by us to be confidential.

We feel the following would meet our concerns:

1. Redact Appendix 1 Synthesis of Climbazole
2. Redact Appendix 2 Weight of Climbazole sold by year by country
3. Redact Tables 3-1 through 3-6 and replace this with a table like this:

Time and Extent of Climbazole Marketing in 3 Regions During 1999-2004

Country	Marketing Extent (dosage units x 10⁶)
Europe	62.8
North America	30.9
South America	17.2
TOTAL	110.9

Thank you for your assistance in moving our TEA forward. If you have any further questions, please feel free to contact me again.

Sincerely,

David C. Steinberg
